

Co-op: Diagnostic Data Engineering (Fall 2025) cover letter

Dear Volvo representative, I am writing this with regards to the Co-op: Diagnostic Data Engineering (Fall 2025) position. I am a driven and self motivated developer passionate about creating quality software to solve real world problems. I feel that I am a good candidate for the position due to my extensive experience with machine learning and data processing, in both my job experience and personal projects. Please let me know if there is anything I can clarify. Learn more about my projects on my [github](#), or my [website](#).
